EUROPEAN YOUTH CHAMPIONSHIPS 2017

FIRST ENGLISH GIRLS EUROPEAN CHAMPIONS IN 15 YEARS...

"Girls final was a thriller. England had in half way the lead with 50 pins, but Finland came back to the game in 8-9 frames. England's last player, Mia Bewley, had the keys in her hands, but she finished with an open frame. Then Teea Mäkelä had a chance to become a hero, but after a spare she took only eight pins and there was a tie 750-750. Breaking the tie all four players made one shot and the total was counted. First round ended in tie 38-38, but England won the second 38-34 and took the gold medals. In the gold medal team were playing Isabelle Allen, Lorna Scott, Mia Bewley and Natasja Ailes." - Seija Lankinen
